

McMUN 2013

The McGill Model United Nations Assembly, commonly referred to as McMUN, is an annual student-run initiative that has been held in Montreal, Quebec since 1989. It is the largest and most prestigious conference of its kind in Canada, and ranks among the top academic events at McGill University. Its reputation has crossed borders and became one of the most highly anticipated and competitive conferences of the international collegiate Model United Nations circuit. With over 1400 delegates from around the world and 500 McGill student staff, McMUN is one of the most inspiring and rewarding experiences for our University-aged participants.
